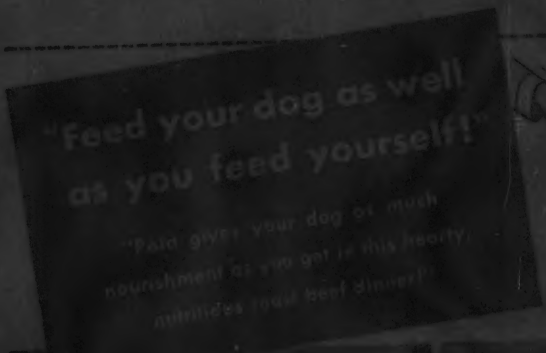
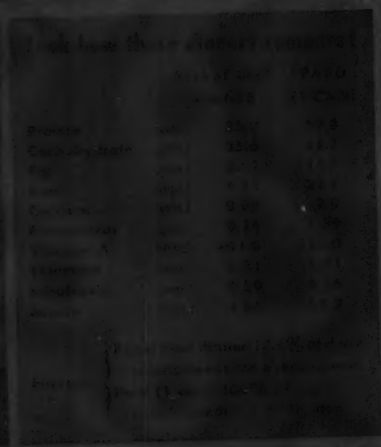
Swift gives you proof (nutrient for nutrient) that you can recommend PARD in exactly these words . . .





And only Pard can give you this *added* assurance: For 15 years in Swift's own research kennels, *eleven* consecutive generations of dogs (over 1500 dogs, over 250 litters!) have been raised on an exclusive diet of Pard, have never known any other food. They have thrived, full of health, life and vigor, on this single, *complete* food, with normal reproduction.

Here's proof . . . GENERATIONS of it . . . that when a dog is fed Pard he needs nothing more. And he can get nothing better!
